Great Lakes Restoration Initiative

APRIL 16-21, 2018

MONDAY, APRIL 16— COMMUNITY CLEAN-UP

1000AM-200PM Show your appreciation for the Earth by joining the community trash clean-up. Groups will spread out around the community (particularly Lakeshore Drive). Then come warm up at Biological Services with chili!

TUESDAY, APRIL 17— GUEST SPEAKER: LOCAL INVASIVE SPECIES

200-400PM Nick Cassel of CLMCD is the local cooperative invasive species management area (CISMA) coordinator. He will be speaking about the area's top five invasive species. Join us at Bay Mills Community College, 12214 Lakeshore Dr, Brimley, MI Mikanuk 110

WEDNESDAY, APRIL 20— FAMILY MOVIE NIGHT: WALL-E & MAKING WAVES

600-800PM Two movies in one place! Join us for *Wall-E* the Disney cartoon OR the invasive species documentary *Making Waves: Battle for the Great Lakes*. Join us for these free showings at the Bay Mills Waishkey Center 12099 Lakeshore Dr, Brimley, MI

THURSDAY, APRIL 19— DOCUMENTARY FILM: MAKING WAVES

200-400PM *Making Waves: Battle for the Great Lakes*, a two-hour documentary about the effects of aquatic invasive species in the Great Lakes and the efforts under way to control and prevent them. This film traces the path of the invasion and joins researchers on the front lines as they combat invasives and work to restore native species, in an effort to prevent a biological takeover of the Great Lakes. Join us for this free showing at Bay Mills Community College, 12214 Lakeshore Dr, Brimley, MI Mikanuk Hall 110

SATURDAY, APRIL 21— SEED-STARTING PARTY at WAISHKEY BAY FARM

1000AM-400PM Join the Waishkey Bay Farm for their seed starting party. Seed-starting trays, starting soil, and seeds are provided at no charge. Lunch is provided. RSVP to giti-gaan@bmcc.edu 10135 W Mills Rd, Brimley, MI
