Dentist

Bay Mills Health Center is a Federally Qualified Health Center on the shores of Lake Superior in Brimley, Michigan. We have a state of the art facility with digital x-rays, an in-house full service lab, and an in-house pharmacy. Our clinic offers restoration, aesthetic dentistry, root canals, and comprehensive family dentistry with a focus on prevention. Bay Mills Health Center is fully electronic and utilizes Dentrix EHR software. We offer a competitive salary, comprehensive benefits, and a generous leave policy. We also offer paid continuing education, paid professional membership fees, and can offer National Health Service Core (NHSC) and Indian Health Service (IHS) loan repayment programs options. New grads welcome. Submit CV to Abby Kaunisto, Bay Mills Health Center, 12124 West Lakeshore Drive, Brimley, MI 49715 For additional information call Abby, Clinic Coordinator at (906) 248-8315 or email akaunisto@baymills.org
