

BMIC Elders:

Does Your Home Have Unnecessary Clutter & Debris?

BMIC has received funding from MDHHS to remove clutter and debris inside and outside of elder's homes.

House cleaning and small home repairs can occur.

These services are free of charge. An assessment must be conducted for each participant.

The goal of this project is to keep elders safe and in their own homes

For more information, contact Loni LeBlanc at 248-8119 or lcleblanc@baymills.org
