**ORDINANCE TO REGULATE THE OPERATION OF GAMING
BY THE BAY MILLS INDIAN COMMUNITY**

*A law to authorize, license and regulate certain forms of gaming, within the
jurisdiction of the Bay Mills Indian Community.*

Section 1. Findings, Intent and Policy.

1.1 **Findings.** The General Tribal Council on behalf of the Bay Mills Indian Community finds that:

(A) Tribal regulation and control of gaming activity within the jurisdiction of the Bay Mills Indian Community is essential for the protection of public health and welfare, and the interests of the Tribe and the residents and visitors to Indian country.

(B) The Bay Mills Indian Community has the legal authority to license and regulate any gaming activity within the jurisdiction of the Tribe which is not specifically prohibited by federal law.

(C) Properly licensed and regulated gaming enterprises are in conformance with federal policy promoting Indian self-government and Indian tribal economic self-sufficiency.

(D) It is essential that the Tribal Council regulate gaming in a manner commensurate with applicable federal and tribal law and policy.

(E) The present needs of the Tribe include increased employment, training, housing, health care, nutrition, educational opportunities, social services and community and economic development, and these needs are not adequately addressed by state and federal programs.

(F) Tribal operation and licensing of gaming activity is a legitimate means of generating revenue to address the above described needs.

(G) The Tribe is vigorously pursuing its goal of self-sufficiency and self-determination through the development of tribal businesses and enterprises. Due to the lack of income-generating economic development, the Tribe is the sole source of increased employment opportunity, and economic development efforts. Federal and state financial support for these efforts has decreased over time. Gaming provides additional tribal revenue for governmental and program support, and employment opportunities.

(H) As a result of subsections 1.1(A) and 1.1(G) above, the adoption of the following expanded gaming law is in the best interest of the Bay Mills Indian Community.

1.2 Intent. The intent of this Ordinance is to:

(A) Regulate, control, and oversee all gaming within the jurisdiction of the Tribe.

(B) State, declare and otherwise clarify that a tribal license to operate a gaming enterprise is a revocable privilege, not a right.

(C) Ensure that the operation of tribally-regulated gaming can continue as a means of generating tribal revenue.

(D) Ensure that gaming is conducted fairly and honestly by both operators and players, and that it remain free from corrupt, incompetent, unconscionable and dishonest practices.

(E) Encourage tribal economic development and employment opportunities.

(F) Ensure that all gaming revenue is used for the benefit of the Tribe and its people.

(G) Ensure that the Tribe provide a fair and impartial forum for the resolution of all gaming disputes.

(H) Ensure that tribal gaming laws are strictly and fairly enforced upon all people involved in gaming activity within the jurisdiction of the Tribe.

1.3 Policy.

(A) Policy of Self-Government. The Tribe is firmly committed to the principle of tribal self-government. Consistent with federal policy, the Bay Mills tribal government provides a wide range of public services on the Reservation, including general governmental services, the maintenance of peace and good order, the establishment of educational systems and programs, and the promotion and regulation of economic activities within the sovereign jurisdiction of the Tribe.

(B) Gaming Policy. The establishment, promotion and operation of gaming is necessary and desirable, provided that such gaming is regulated and controlled by the Tribe pursuant to tribal and federal law and any Tribal-State compact authorized by the Indian

Gaming Regulatory Act, and that the proceeds of such gaming are used exclusively for the benefit of the Tribe as required by the Indian Gaming Regulatory Act.
