

# Safe Disposal of old drugs

## Why Should You Properly Dispose of Unwanted Medications?

### TO PROTECT OUR WATERS

Water monitoring across the nation has indicated the presence of pharmaceuticals in our surface, ground, and drinking water. Drop-off locations offer a safe and viable disposal option to keep drugs out of our waters.

### TO PROTECT OUR FAMILY

Keeping medicine around the home can lead to possible poisoning from accidental ingestion, particularly among young children and pets.

### TO PROTECT OUR COMMUNITY

Unused or expired drugs left in the medicine cabinet are easily available and appealing to potential drug abusers and can lead to illegal use or theft.
