**As of 1.11.22**

**Current COVID-19 Quarantine Procedures:**

*Please only test at Bay Mills Health Center if you're having symptoms; access other locations for exposure and surveillance testing*

---

**If you are EXPOSED:**

**VACCINATED, WITH BOOSTER (WITHIN THE LAST 5 MONTHS):**

- You do not need to quarantine
- Wear a mask around others for 10 days
- Test on Day 5, if possible
- Stay home for 5 days to isolate.
- If you have no symptoms, or your symptoms are gone after 5 days, you can leave your house.
- Continue to wear a mask around others for 5 days.
  *if you have a fever, stay home until fever resolves without medication.*

**VACCINATED, WITHOUT BOOSTER:**

- Quarantine for 5 days
- Wear a mask around others for 5 days, after quarantine is complete
- Test on Day 5, if possible.
- Stay home for 5 days to isolate.
- If you have no symptoms, or your symptoms are gone after 5 days, you can leave your house.
- Continue to wear a mask around others for 5 days.
  *if you have a fever, stay home until fever resolves without medication.*

---

**If you test POSITIVE:**

**NOT VACCINATED:**

- Quarantine for 5 days
- Wear a mask around others for 5 days, after quarantine is complete
- Test on Day 5, if possible.
- Stay home for 5 days to isolate.
- If you have no symptoms, or your symptoms are gone after 5 days, you can leave your house.
- Continue to wear a mask around others for 5 days.
  *if you have a fever, stay home until fever resolves without medication.*

---

**A Booster Dose is needed if you received the full vaccine series more than 5 months ago for Pfizer or Moderna vaccines OR 2 months if you received Johnson\&Johnson.**
