

**Bay Mills Business Holdings  
Marijuana Commission  
THC Concentration-Infused Products**

**I. Statement of Policy**

Under the Marijuana Ordinance 121 the Marijuana Commission has to establish levels THC concentrations for marijuana-infused products.

**II. Approved THC Levels**

- A. Product 1 – Level
- B. Product 2 – Level

**III. Procedure**

- A. The Marijuana Commission Director (MCD) shall work with the Bay Mills General Manager (GM) and the NLCC Store Manager (SM) to determine the proper levels for each of their marijuana-infused products.
- B. Once the levels have been agreed upon, the MCD will bring the proposed levels with all related materials gathered in making the decision to the Marijuana Commission for approval.
- C. Upon approval by the Marijuana Commission, the MCD will bring the approved levels to the Bay Mills Business Holding Board for approval and implementation.
- D. Bay Mills Business Holding Board decision:
  - 1. Upon approval the MCD shall update this procedure and notify the Marijuana Commission, GM, and SM of the decision.
  - 2. If the levels are denied the MCD will perform the duties and/or wishes of the Board.
- E. All documentation will be filed in the designated file system.

**Certification**

This is to certify that the above Marijuana Commission – Code of Ethics has been reviewed and approved by the Bay Mills Business Holding Board.
